## NATIONAL SAFETY DAY PROGRAM

**4<sup>th</sup> March, 2010**

Today the Pharmaessense team gathered to pledge their allegiance to the safety movement started by Mr.Hachi Baswaraj, Head EHS. All departmental heads and staff took it upon themselves to ensure safety of their team to protect the environment and ensure proper protection is taken when handling hazardous and dangerous goods.

The event concluded with the oath ceremony for all the departmental heads and staff, who took their pledge towards maintaining high safety standards within their work environment.

National Safety Day 4 <sup>th</sup> March	
Safety Pledge	
On this Day I solemnly affirm that I will redouble my efforts in the cause of safety health and protection of environment and will do my best to observe rules, regulations, and procedures and develop attitudes and habits conducive for achieving these objectives.	
I fully realize that accidents and diseases are a drain on the national resources and may lead to disabilities, deaths, changes in health and property, social suffering and general depression of the community.	
I will do everything possible for the prevention of accidents and occupational diseases and protection of the environment in the interest of self, my family, my community and the nation at large.	

This program is one among the series of seminars and training events planned by Mr.Baswaraj to create awareness and to educate one and all on the standards that need to be maintained within the pharmaceutical industry.

We in Pharmaessense are committed towards delivering cost effective solutions to the pharmaceutical industry with a focus on safeguarding the lives of the people, the wellbeing of the community and the balance of the environment we live in.
